14 Termination Event. Notwithstanding anything to the contrary herein, the Adequate Protection
15 Liens and Adequate Protection Claims granted to the Lender Parties herein shall be subordinate to
16 the Debtors' obligations under the Home Construction Contracts.

17 (b) The Debtors are authorized to disburse job cost expenses of Pinnacle Grading LLC
18 ("*Pinnacle*") through June 28, 2009 provided that the cumulative job cost expenses of Pinnacle
19 from April 1, 2009 through June 28, 2009 do not exceed the cumulative receipt of Pinnacle
20 revenues received from April 1, 2008 through June 28, 2009 by more than \$60,000. (For example,
21 if the Debtors receive \$250,000 in cumulative Pinnacle revenues on a day prior to June 28, 2009,
22 then the Debtors shall be authorized to disburse up to \$310,000 in cumulative Pinnacle job cost
23 expenses through such date.)

24 (c) The Debtors are authorized to disburse to Mrs. Glynda Rhodes the rent
25
26
27
28

1 contemplated in the Budget on a monthly basis for use as a residence for their employees or
2 consultants, including any amounts held in the client trust account of the Debtors' bankruptcy
3 counsel, while such home is being used by any of the Debtors' employees or consultants. The
4 Debtors shall reject and/or terminate the lease of the residence if the Debtors' employees or
5 consultants are not occupying the residence on a regular basis.
6

7 (d) Any expenditures in the ordinary course of business that are not otherwise
8 identified on the Budget that the Debtors deem necessary or important prior to June 28, 2009 shall
9 be recommended in writing by the Debtors to the First Lien Steering Committee (through WCP),
10 with notice to the Agents, and WCP shall respond within 48 hours of its receipt of such notice with
11 an approval or denial in WCP's sole discretion.
12

13 (e) Notwithstanding anything contained in the Budget to the contrary, no expenses of
14 administration, wages or other amounts shall be paid to any employee or third party that has not
15 provided a direct, cognizable benefit to the Debtors' estates commensurate to the amount to be
16 paid. The Debtors shall have the employees who are performing work for both Debtor and non-
17 debtor affiliate entities provide a certification at the end of each month as to the amount of time
18 spent working for the Debtors and the non-Debtors on a percentage basis. Based on the gross
19 compensation (including benefits) of such employee, the Debtors will compute the dollar value of
20 the amount of time spent on matters relating to the Debtors and the non-Debtors. The Debtors and
21 non-Debtors shall reconcile any payroll amounts owed one to another (including in such
22 reconciliation the foregoing computations) and shall pay such reconciled payroll amounts on or
23 before the tenth (10th) day of the following calendar month. The First Lien Steering Committee
24 (through WCP) shall have rights to review such certification and supporting documentation as
25 necessary and share such information with the Agents, who shall then have until the seventh (7th)
26 day of the calendar month to object to such certification in writing. If an objection is asserted, no
27
28

1 amounts shall be payable pursuant to this paragraph until such objection is resolved either between
2 the parties or by this Court.

3 (f) The Debtors have included amounts in the Budget totaling approximately \$1.2
4 million for amounts owed to various contractors but unpaid as of the Petition Date, some of which
5 amounts may be unsecured claims in these Chapter 11 Cases or may be mechanics liens. During
6 the Cash Collateral Period, the Debtors can pay such amounts pursuant to the Budget upon either
7 (i) Court Order or (ii) consent of the First Lien Steering Committee (through WCP) in its sole
8 discretion without the need for further Court Order; provided, that with respect to (ii) above, five
9 business days advance of any proposed payments shall be provided to the Agents, the U.S.
10 Trustee, any counsel to any official committee of unsecured creditors appointed in these cases,
11 which notice shall include the identities of the parties that will receive such payments, the specific
12 nature of the claims to be paid, the amounts to be paid and the extraordinary circumstances
13 underpinning the proposed payments. To the extent no objection is received from the Agents, the
14 U.S. Trustee, or the official committee of unsecured creditors following such five business day
15 period, the Debtors shall be authorized to make such payments. The fact of payment on such
16 claims under this paragraph shall not waive the rights of any party in interest to later challenge the
17 priority of payments made pursuant to this paragraph.

18 (g) The Debtors have included amounts in the Budget on lines 30 and 31 relative to
19 various ongoing land development projects. The First Lien Steering Committee (through WCP)
20 is hereby granted the right to approve work on any such contract related to such land
21 development projects. Once a contract is approved by the First Lien Steering Committee, it shall
22 only have consent rights as to the timing of payment of any amounts due under such contract.
23 Furthermore, the First Lien Steering Committee through WCP shall be granted the right to review
24 payments in excess of \$1,000 per invoice for any vendor (not to exceed \$10,000 in any week)
25
26
27
28

1 related to any land development or similar activities on items where WCP has not approved a
2 contract prior to payment thereof. Such amounts, along with invoices and summaries of the total
3 requested payment shall be submitted to the First Lien Steering Committee (through WCP) by
4 5:00 p.m. (prevailing Pacific Time) on Friday of each week for review, including disclosure of all
5 checks of less than \$1000 made to each vendor since the last weekly report. WCP shall respond
6 in a timely manner to the Debtors in writing as to which amounts are approved for payment and
7 which amounts are declined for payment. Declination for payment of an invoice in no way shall
8 prevent the First Lien Steering Committee (through WCP) from later approving payment of such
9 invoice.
10

11 (h) Both the Debtors and the First Lien Steering Committee acknowledge that they
12 may desire the Debtors to utilize Cash Collateral over what is provided for in the Budget to pay for
13 vertical construction costs to build additional homes not contemplated as of the date of this Order.
14 Should the Debtors determine that they have a business reason for utilizing Cash Collateral beyond
15 the level allocated on line 29 of the Budget for vertical home construction, the Debtors shall make
16 a written request to the First Lien Steering Committee (through WCP) for approval of such
17 additional use of Cash Collateral. The First Lien Steering Committee (through WCP) may
18 reasonably request additional supporting information to allow it to make a determination as to the
19 Debtors' benefit of starting such new vertical home construction, which information the Debtors
20 shall provide timely. Following WCP's receipt of requested information, the First Lien Steering
21 Committee (through WCP) shall respond in a timely manner to the Debtors in writing with a
22 listing of homes on which the First Lien Steering Committee agrees to allow for commencement of
23 vertical construction. WCP shall be authorized to share any information received under this
24 paragraph with the Agents.
25
26

27 (i) The Debtors are authorized, without further order of the Court, to make
28

1 modifications to the Budget, not to exceed the 15% variance referenced at Paragraph 2 above, with
2 the written consent of the First Lien Steering Committee (in consultation with the Agent), which
3 consent shall be granted or withheld in the First Lien Steering Committee's sole discretion. The
4 Debtors' authorization to use Cash Collateral hereunder shall terminate upon the earlier to occur of
5 (i) the Cash Collateral Termination Date or (ii) expiration of the Budget Period unless the Debtors
6 shall have proposed and the First Lien Steering Committee, in its sole discretion (but in
7 consultation with the Agent), shall have approved, an extension of the Cash Collateral Period.
8 WCP shall be authorized to share any information received under this paragraph with the Agents.

9
10 (j) The Debtors shall provide to the Lender Parties and First Lien Steering Committee
11 weekly variance reports by 5:00 p.m. (prevailing Pacific Time) on Tuesday of each week during
12 the Budget Period (or the next business day if such day is not a business day). Such variance
13 reports shall (i) include prior week actual and cumulative financial results compared to the
14 budgeted amounts for each such week and a detailed explanation of any variances and (ii) certify
15 the Debtors' compliance with the Budget.
16

17 4. Ordinary Course of Business. The Debtors shall only engage in transactions in the
18 Debtors' ordinary course of business during the Budget Period.

19 5. Adequate Protection. The Lender Parties are hereby granted the following as
20 adequate protection, (i) solely to the extent of any diminution in the value of the Prepetition
21 Collateral (including Cash Collateral) and (ii) solely to the extent of the value of their interest in
22 the Prepetition Collateral:
23

24 (a) Adequate Protection Liens. As adequate protection of the respective interests of the
25 Lender Parties, to the extent of any diminution in the value of the Prepetition Collateral (including
26 Cash Collateral) from and after the Petition Date, whether as a result of the imposition of the
27 automatic stay, or the use, sale or lease of the Prepetition Collateral, including the use of the Cash
28

1 Collateral, the First Lien Agent and the Second Lien Agent are hereby granted for their benefit and
2 the benefit of the First Lien Lenders and Second Lien Lenders replacement liens in the same
3 relative priority as their respective liens in the Prepetition Collateral, provided that the adequate
4 protection liens provided hereunder to the Second Lien Agent shall also be junior in priority to the
5 First Lien Agent's prepetition liens in the Prepetition Collateral (the "*Adequate Protection Liens*"),
6 subject only to such other liens, if any, as may be senior, under applicable law, to the First Priority
7 Liens and Second Priority Liens in the relevant Collateral (as hereinafter defined) and the Carve-
8 Out (as defined below), on all of the Debtors' rights, title and interest in, to and under all personal
9 and real property and other assets, whether now existing or at any time hereafter acquired and
10 regardless of where located, including, but not limited to, all contracts of sale, pledged equity
11 interests, tax refunds, general intangibles, copyrights, patents, trademarks, books and records,
12 customer lists, credit files, computer files, programs, printouts, other computer materials and
13 records related thereto, commercial tort claims, documents, letters of credit issued in favor of the
14 Debtors, excess proceeds returned to the Debtors from letter of credit beneficiaries, equipment,
15 fixtures, goods, inventory, machinery, pledged deposits, chattel paper, securities accounts, deposit
16 accounts and all other demand, time, savings and cash management, passbook and similar
17 accounts, and all monies, securities, instruments and other investments deposited or required to be
18 deposited in such accounts, but excluding all claims for relief under chapter 5 of the Bankruptcy
19 Code ("*Avoidance Actions*") (collectively, including the Prepetition Collateral, the "*Collateral*").
20 Except as provided in this Order, the Adequate Protection Liens shall not be made subject to or
21 *pari passu* with any lien on the Collateral by any order subsequently entered in the Chapter 11
22 Cases and shall be granted the benefits of Paragraph 6 hereof as applicable.

23
24
25
26 (b) Adequate Protection Claims. As additional adequate protection of the interests of
27 the Lender Parties in the Prepetition Collateral, the Lender Parties are hereby granted allowed
28

1 administrative priority claims under section 507(b) of the Bankruptcy Code in the same relative
2 priority as the First Priority Liens and Second Priority Liens in the Prepetition Collateral (the
3 "*Adequate Protection Claims*") for any diminution in value of the Prepetition Collateral (including
4 Cash Collateral) from and after the Petition Date, whether as a result of the imposition of the
5 automatic stay, or the use, sale or lease of Prepetition Collateral, including the use of Cash
6 Collateral, provided that any recoveries to the Second Lien Agent or Second Lien Lenders in
7 respect of the Adequate Protection Claims granted hereunder to the Second Lien Agent and
8 Second Lien Lenders shall be first used to satisfy the prepetition claims of the First Lien Agent and
9 the First Lien Lenders and only in the event such prepetition claims are paid in full shall the
10 Second Lien Agent and Second Lien Lenders receive any amounts in respect of such Adequate
11 Protection Claims. The Adequate Protection Claims shall have priority over all administrative
12 expenses of the kind specified in, or ordered pursuant to, any provision of the Bankruptcy Code,
13 including, without limitation, those specified in, or ordered pursuant to, sections 105, 326, 328,
14 330, 503(b), 506(c), 507(a), 507(b), 546(c), 726 and 1114 of the Bankruptcy Code, or otherwise
15 (whether incurred in the Chapter 11 Cases or any conversion thereof to a case under chapter 7 of
16 the Bankruptcy Code or any other proceeding related hereto or thereto). Notwithstanding the
17 foregoing, the Adequate Protection Claims shall not have priority over the allowed administrative
18 claims incurred by the Debtors, including but not limited to the allowed administrative claims of
19 any of the Debtors' professionals and the professionals for a creditors' committee (if appointed), in
20 each case, to the extent of fees and expenses that are incurred prior to the Cash Collateral
21 Termination Date, and any unused retainers (the "Carve-Out") and up to \$35,000 for professionals
22 of a creditors committee (if and when appointed) for the purpose of investigating the assertions in
23 Paragraphs C and D contained herein. Solely for the Cash Collateral Period, the Adequate
24 Protection Claims shall be subordinated to (i) the retainers held, as of the Petition Date, by
25
26
27
28

1 professionals to the Debtors that are retained pursuant to an order of the Court and only to the
2 extent of fees and expenses (a) incurred prior to and during the continuation of a Cash Collateral
3 Termination Event and (b) allowed by further order of the Court; and (ii) the allowed
4 administrative claims of non-insider employees that provide actual services to the Debtors during
5 the Cash Collateral Period and allowed administrative claims of entities that provide services to the
6 Debtors (other than any affiliates of the Debtors or Jim Rhodes, but excluding Spirit Underground
7 or Freedom Underground), in each case only to the extent of the benefit of such services and
8 provided for in the Budget. Notwithstanding the foregoing, Spirit Underground and Freedom
9 Underground shall have the benefit of the foregoing sentence for allowed administrative claims in
10 respect of services actually rendered during the Cash Collateral Period to the extent provided for in
11 the Budget or otherwise authorized pursuant to this Order.

12
13 (c) Fees and Expenses. As further adequate protection for the use of the Cash
14 Collateral during the Budget Period, the Debtors shall, after receipt of an applicable invoice, pay in
15 full, in cash by wire transfer, the fees and expenses incurred by the professionals for the First Lien
16 Steering Committee (including Akin Gump Strauss Hauer & Feld LLP, Winchester Carlisle
17 Partners LLC ("WCP") and Kolesar & Leatham) and the First Lien Agent (including Skadden,
18 Arps, Slate, Meagher & Flom, LLP and the First Lien Agent's local counsel), for the period from
19 the Petition Date through the Cash Collateral Period, without a right of setoff, recoupment,
20 avoidance or disgorgement, and regardless of whether an invoice is delivered before or after a
21 Cash Collateral Termination Event or the expiration of the Cash Collateral Period, provided,
22 however that each First Lien Steering Committee professional and First Lien Agent professional
23 shall submit its monthly invoice for review to the Debtors and the U.S. Trustee each of which shall
24 have 10 days from the receipt of such invoice to review such invoice for reasonableness. If no
25 objection is interposed in writing to such applicable professional within the 10-day time period, the
26
27
28

Debtors shall be authorized to pay such amount to which no objection has been raised within 2 business days. If an objection is interposed in writing to such applicable professional within the 10-day time period and the parties are unable to resolve such objection, the amount subject to such objection shall be resolved by the Bankruptcy Court and, any amounts not subject to such objection shall be paid by the Debtors in accordance with the provisions hereof. The payments contemplated hereby shall be subject to recharacterization and a review for reasonableness under Bankruptcy Code section 506(b). Nothing herein shall prejudice the Agents or First Lien Steering Committee from seeking payment of additional fees and expenses in connection with any further or final order regarding cash collateral or otherwise and such rights are expressly reserved.

(d) Reporting Requirements. The Debtors shall furnish to the Lender Parties and First Lien Steering Committee the following:

(I) Weekly Cash Flow Budget. On the third day of each calendar week (or, if such day is not a business day, on the next succeeding business day), (i) a report setting forth in reasonable detail any variances from the Weekly Cash Flow Budget on the basis of the actual prior week, (ii) a report setting forth a list of all asset sales since the date of the last Weekly Cash Flow Budget and the respective sales price, and (iii) a report of cumulative net cash proceeds received by the Debtors with respect to asset sales since the date of the last such report.

(II) Cash Collateral Termination Event Notices. As soon as practicable, and in any event within one business day after a responsible officer has actual knowledge of the existence of any Cash Collateral Termination Event, the Debtors shall give the Lender Parties and First Lien Steering Committee notice specifying the nature of the Cash Collateral Termination Event, which notice, if given by telephone, shall be promptly confirmed in writing on the next business day.

(III) Provision of Information. The First Lien Steering Committee is authorized to share information and documents it receives from the Debtors with the Agents and

1 the First Lien Steering Committee shall share such information and documents with the Agents
2 upon the First Lien Agent's or Second Lien Agent's request, as applicable.

3 (e) Disbursement Authority. During the Cash Collateral Period, all amounts
4 paid by the Debtors must be approved by two of the following (with checks drawn on any Debtor's
5 bank accounts to be signed by two of the following): (i) the Debtors' general counsel; (ii) the
6 Debtors' chief financial officer; and (iii) the Debtors' controller; provided, that neither Jim Rhodes
7 nor any relative or affiliate of Jim Rhodes shall serve in any of the foregoing capacities.

9 6. Perfection of Adequate Protection Liens. The Adequate Protection Liens granted
10 pursuant to this Order shall be deemed to be perfected automatically as of the Petition Date, without
11 the necessity of the filing of any UCC-1 financing statement, state or federal notice, mortgage or
12 other similar instrument or document in any state or public record or office and without the necessity
13 of taking possession or "control" (within the meaning of the Uniform Commercial Code) of any
14 Collateral, *provided, however*, that if the First Lien Agent or Second Lien Agent shall, in their sole
15 individual discretion, choose to require the execution of and/or file (as applicable) such mortgages,
16 financing statements, notices of liens and other similar instruments and documents, all such
17 mortgages, financing statements, notices of liens or other similar instruments and documents shall be
18 deemed to have been executed, filed and/or recorded *nunc pro tunc* at the time and on the date of the
19 later of the Petition Date or the date upon which the Debtors acquired the property subject to the
20 mortgages, financing statements, notices of liens and other similar instruments and documents at
21 issue. Each and every federal, state and local government agency or department is hereby directed to
22 accept a copy of this Order as evidence of the validity, enforceability and perfection as of the
23 Petition Date of the liens granted or authorized pursuant to this Order to or for the benefit of the
24 Lender Parties.

25 7. Limitation on Charging Expenses Against Collateral. Except as contemplated in this
26 Order, during the Cash Collateral Period, no administrative claims, including fees and expenses of
27 professionals, shall be assessed against or attributed to any of Lender Parties with respect to their
28

1 interests in the Prepetition Collateral for the period of consensual use of Cash Collateral (the "*Cash*
2 *Collateral Period*") or any subsequent period in which the Debtors are permitted to use Cash
3 Collateral pursuant to the terms of this Order, as applicable, pursuant to the provisions of
4 section 506(c) of the Bankruptcy Code or otherwise by, through or on behalf of the Debtors, without
5 the prior written consent of the Lender Parties and First Lien Steering Committee, as applicable, and
6 no such consent shall be implied from any action, inaction or acquiescence by, either with or without
7 notice to, the Lender Parties and the First Lien Steering Committee, or otherwise.

8 8. Priority of Obligations. Except as otherwise set forth herein, pursuant to Bankruptcy
9 Code section 507(b), all of the Debtors' obligations arising under this Order in respect of the First
10 Priority Indebtedness, the Second Priority Indebtedness, the Prepetition Collateral, or the Adequate
11 Protection Liens shall constitute obligations of the Debtors with priority over any and all
12 administrative expenses or other claims arising or granted under Bankruptcy Code sections 105, 326,
13 328, 330, 331, 503(b), 506(c), 507(a), 546(c) or 726.

14 9. Reservation of Rights of Prepetition Secured Parties. Notwithstanding anything
15 herein to the contrary, the entry of this Order is without prejudice to, and does not constitute a
16 waiver of, expressly or implicitly, or otherwise impair (a) any of the rights of any of the Lender
17 Parties or the First Lien Steering Committee under the Bankruptcy Code or under non-bankruptcy
18 law, including, without limitation, the right of such parties to (i) request modification of the
19 automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Chapter 11
20 Cases, conversion of any of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code,
21 or appointment of a chapter 11 trustee or examiner (including with expanded powers); or
22 (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a chapter 11 plan or
23 plans for any of the Debtors; (b) any of the rights of the Lender Parties or First Lien Steering
24 Committee to seek modification of the grant of adequate protection provided hereby so as to provide
25 different or additional adequate protection at any time, including prior to a Cash Collateral
26 Termination Event, and nothing herein shall affect the rights of any other party or entity to seek or
27 oppose such modification of the grant of the adequate protection provided hereby; or (c) any other
28 rights, claims or privileges (whether legal, equitable or otherwise) of any of the Lender Parties or

1 First Lien Steering Committee. Nothing herein shall prejudice the rights of any party to oppose any
2 of the foregoing forms of relief (other than the Debtors with respect to Paragraphs C and D herein)
3 that may be sought by any of the Agents, the Lender Parties or First Lien Steering Committee.

4 10. Challenges. Notwithstanding anything contained herein to the contrary, the extent,
5 validity, priority, perfection and enforceability of the First Priority Indebtedness, First Priority Liens,
6 Second Priority Indebtedness and Second Priority Liens are for all purposes subject to the rights of
7 any party in interest (including an official committee appointed in these cases as representative of
8 the Debtors' estates), other than any Debtor, to (1) file a complaint pursuant to Bankruptcy Rule
9 7001, (2) object to the allowability of any of, or any portion of, the Lender Parties' liens or claims in
10 accordance with Bankruptcy Code sections 502 and 1109 and Bankruptcy Rule 3007, or (3) take
11 such other action or seek another mechanism seeking to invalidate, avoid, subordinate or otherwise
12 challenge the First Priority Indebtedness, First Priority Liens, Second Priority Indebtedness, Second
13 Priority Liens, or any liens, claims or other obligations incurred in connection with any of the
14 foregoing or pursue claims or causes of action against the First Lien Agent, First Lien Lenders,
15 Second Lien Agent and/or Second Lien Lenders, applicable (each of (1)-(3) above, a "Challenge");
16 *provided, however*, that any such Challenge(s) must be filed in this Court by no later than the earlier
17 of (i) 90 days after the appointment of an official committee of unsecured creditor or (ii) the deadline
18 for objection to confirmation of a plan of reorganization filed by the Debtors and/or the First Lien
19 Steering Committee (the "Challenge Period"); *provided, further, however*, that the Challenge Period
20 may be extended either (i) by the Court pursuant to an order after notice and a hearing and for cause
21 shown, or (ii) as may be agreed to in writing by the First Lien Steering Committee (in consultation
22 with the First Lien Agent) with the respect to the First Priority Indebtedness and First Priority Liens,
23 and the Second Lien Agent with respect to the Second Priority Indebtedness and Second Priority
24 Liens, with respect to the time to file any such complaint relating to the liens and claims arising
25 under the First Lien Loan Documents or Second Lien Loan Documents, as applicable. If no such
26 Challenge(s) are filed within such time period, then any and all Challenges shall be, without further
27 notice to or order of the Court, deemed to have been forever relinquished, released and waived as to
28 any such official committee and any other person or entity. If such Challenge(s) are timely filed on

1 or before the date upon which the Challenge Period expires, any and all Challenges shall be deemed,
2 immediately and without further action, to have been forever relinquished, released and waived as to
3 any official committee and other person or entity, except with respect to Challenges that are timely
4 asserted. Nothing herein shall be deemed to provide any party with standing to pursue a Challenge,
5 such relief only to be provided by a further order of this Court, after notice and a hearing, and such
6 party having met the applicable legal standard to obtain such standing. Notwithstanding the
7 foregoing, nothing herein shall be deemed to limit the rights of any party, including the Debtors, to
8 assert that the value of the Prepetition Collateral is less than the value of the First Priority
9 Indebtedness or Second Priority Indebtedness.

10 11. If no such Challenge is filed within such time period, then (i) the First Priority
11 Indebtedness, First Priority Liens, Second Priority Indebtedness, Second Priority Liens shall each
12 constitute allowed, secured claims (subject to Challenge, if any, that the value of the Prepetition
13 Collateral is less than the value of the First Priority Indebtedness or Second Priority Indebtedness,
14 which may be filed by any party in interest, including any of the Debtors), for all purposes in the
15 Chapter 11 Cases and any subsequent proceedings under the Bankruptcy Code, including, without
16 limitation, any chapter 7 proceedings if any Chapter 11 Case is converted to a case under chapter 7
17 of the Bankruptcy Code (each, a "Successor Case"), (ii) the First Priority Liens and Second Priority
18 Liens, as applicable, shall be deemed legal, valid, binding, enforceable, perfected, not subject to
19 subordination or avoidance for all purposes in the Chapter 11 Cases and any Successor Case, (iii) the
20 release of the Challenges against the Lender Parties shall be binding on all parties in interest in the
21 Chapter 11 Cases and any Successor Case, and (iv) First Priority Indebtedness, First Priority Liens,
22 Second Priority Indebtedness and Second Priority Liens, releases of the Challenges against the
23 Lender Parties, and prior payments on account of or with respect to the First Priority Indebtedness
24 and Second Priority Indebtedness, respectively, shall not be subject to any other or further claims,
25 cause of action, objection, contest, setoff, defense or challenge by any party in interest for any
26 reason, including, without limitation, by any successor to or estate representative of any Debtor.
27 Nothing in this Order shall confer or deny standing upon any official committee or any other person
28 or entity to bring, assert, commence, continue, prosecute, litigate, or assert Challenges against any

1 Lender Parties. Nothing in this paragraph is intended to or shall affect the right, validity or extent of
2 a Permitted Encumbrance as defined under the First Lien Loan Documents or Second Lien Loan
3 Documents or other statutory liens.

4 12. Cash Collateral Termination. (a) Notwithstanding anything herein or in the First
5 Lien Loan Documents or the Second Lien Loan Documents to the contrary, the Debtors shall no
6 longer be authorized to use Cash Collateral pursuant to this Order, the First Lien Loan Documents,
7 the Second Lien Loan Documents, or otherwise, and consent to the use of Cash Collateral shall be
8 terminated (the "*Cash Collateral Termination Date*") upon the earlier of (i) June 28, 2009 at 11:59
9 p.m. (prevailing Pacific Time) (unless such date is extended in the sole discretion of the First Lien
10 Steering Committee (in consultation with the Agents)) and (ii) absent further order of the Court, the
11 date that is one (1) business day after the delivery by the First Lien Agent or the First Lien Steering
12 Committee of written notice to the Debtors of the occurrence of any of the following events (any
13 event shall be referred to as a "*Cash Collateral Termination Event*");

14
15 (I) non-compliance by the Debtors with any term or provision in this Order;

16 (II) the occurrence after the date hereof of a material adverse effect on any of the
17 business, prospects, performance, assets, operations, condition (financial or otherwise), contingent
18 and other liabilities or material agreements of the Debtors, taken as a whole;

19
20 (III) the incurrence by the Debtors of any expenses or the entry into any transaction
21 not specifically contemplated by the Budget, absent the prior written consent of the First Lien
22 Steering Committee, which consent shall be provided or withheld in the First Lien Steering
23 Committee's sole discretion (in consultation with the First Lien Agent);

24 (IV) the entry of an order pursuant to Bankruptcy Code section 363 approving the
25 sale of all or substantially all of the Debtors' assets (but only in the event that the First Lien
26 Steering Committee (in consultation with the First Lien Agent) has not first consented to such
27 sale), *provided, however*, that to the extent that the net proceeds of such sale are sufficient to
28

1 satisfy all of the First Priority Indebtedness, subject to the provisions of the Intercreditor
2 Agreement, then such sale shall not constitute a Cash Collateral Termination Event until the
3 closing of the sale;

4 (V) conversion or dismissal of the Chapter 11 Cases, *provided, however*, that if an
5 order dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or
6 otherwise is at any time entered, such order shall provide (in accordance with sections 105 and
7 349(b) of the Bankruptcy Code) that (i) the claims and liens granted pursuant to this Order to or for

9 priorities as provided in and subject to the express limitations contained in this Order until all
10 obligations in respect thereof shall have been paid in full in cash and satisfied in the manner
11 provided in the First Lien Loan Documents or Second Lien Loan Documents (and that such claims
12 and liens shall, notwithstanding such dismissal, remain binding on all parties in interest); (ii) prior
13 to dismissal, the applicable Debtors shall deliver to the First Lien Agent and Second Lien Agent

2 (IX) the entry of an order appointing a chapter 11 trustee or examiner with expanded
3 powers (unless granted upon the request of the First Lien Steering Committee); or

4 (X) this Order ceases to be in full force and effect.

5
6 (b) First Lien Steering Committee Access. Commencing April 29, 2009 at 8:00
7 a.m. and ending 6:00 p.m. (PT), the Debtors shall provide WCP access to the Debtors' conference
8 room at the corporate offices as workspace. WCP personnel shall not initiate any substantive
9 conversation with any of the Debtors' employees unless prior consent of the Debtors has been
10 obtained through their CFO or Province Real Estate Advisors, Paul Huygens, which shall be
11 granted by the Debtors in their reasonable discretion such that reasonable access to Debtors'
12 employees will be provided. If WCP requests documents or information from the Debtors, the
13 Debtors shall make a good faith effort to provide the documents or information on a timely basis.

21
22 (c) Prepetition Secured Party Remedies.

23
24 (I) Upon the occurrence of a Cash Collateral Termination Event, the First Lien
25 Agent or any First Lien Lender shall provide two (2) business days written notice (by facsimile,
26 telecopy, electronic mail or otherwise) to the U.S. Trustee, counsel to the First Lien Steering
27 Committee, counsel to the Second Lien Agent, counsel to the Debtors and counsel to any official
28

1 committee prior to terminating the Debtors' use of Cash Collateral under this Order.
2 Notwithstanding anything herein to the contrary, the First Lien Steering Committee retains the
3 right, in its sole discretion (but in consultation with the First Lien Agent), to waive any such Cash
4 Collateral Termination Event permanently or temporarily. The Debtors, the U.S. Trustee, and any
5 official committee may seek within the two (2) business day notice period an expedited hearing
6 before this Court solely for the purpose of considering whether, in fact, a Cash Collateral
7 Termination Event has occurred and is continuing. At the expiration of such two (2) business day
8 period, unless otherwise ordered by the Court, the First Lien Agent and any First Lien Lender shall
9 be authorized, and the automatic stay provisions of section 362 of the Bankruptcy Code are hereby
10 vacated and modified to the extent necessary to permit them to take whatever actions necessary to
11 terminate the Debtors' use of Cash Collateral, including freezing any deposit or securities accounts.
12
13

14 (II) The failure or delay by the First Lien Agent or any First Lien Lender to
15 seek relief or otherwise exercise its rights and remedies under this Order or any of the First Lien
16 Loan Documents shall not constitute a waiver of any of the rights of such parties hereunder,
17 thereunder or otherwise, and any single or partial exercise of such rights and remedies against any
18 party or Collateral shall not be construed to limit any further exercise of such rights and remedies
19 against any or all of the other party and/or Collateral. No holder of a lien that is subject to this
20 Order or granted by the Debtors as adequate protection shall be entitled to object on the basis of
21 the existence of any such lien to the exercise by the First Lien Agent or any First Lien Lender of
22 their respective rights and remedies hereunder, under the First Lien Loan Documents, or under
23 applicable law to effect satisfaction of the First Priority Indebtedness or to receive any amounts or
24 remittances due hereunder or under the First Lien Loan Documents. Notwithstanding the
25 occurrence of the Cash Collateral Termination Date or anything herein to the contrary, all of the
26 rights, remedies and benefits and protections provided to the Lender Parties or the First Lien
27
28

1 Steering Committee under this Order shall survive the Cash Collateral Termination Date.

2
3 13. No Granting of Liens. Except as expressly provided in this Order, the Debtors shall
4 be enjoined and prohibited at any time during the Chapter 11 Cases from granting claims or liens in
5 the Prepetition Collateral or any portion thereof to any other parties pursuant to sections 364(d),
6 503(b) or 507(b) of the Bankruptcy Code or otherwise.

7 14. Successors and Assigns. The provisions of this Order shall be binding upon and
8 inure to the benefit of each of the Lender Parties, the First Lien Steering Committee and the Debtors
9 and their respective successors and assigns (including any chapter 7 trustee or other trustee or
10 fiduciary hereafter appointed as a legal representative of any Debtor or with respect to the property
11 of the estates of any Debtor).

12 15. No Discharge. The obligations of the Debtors under this Order shall not be
13 discharged (and the Debtors waive the right to seek or obtain a discharge of such obligations under
14 section 1141 of the Bankruptcy Code or otherwise) until all obligations arising or payable under this
15 Order are indefeasibly paid in full in cash by the Debtors.

16 16. No Modification. Based upon the findings set forth in this Order, in the event that
17 any or all of the provisions of this Order are hereafter modified, amended or vacated by a subsequent
18 order of this or any other Court, no such modification, amendment or vacation shall affect the
19 validity, enforceability or priority of any lien or claim authorized or created hereby or thereby or any
20 First Priority Indebtedness or Second Priority Indebtedness incurred hereunder. Notwithstanding
21 any such modification, amendment or vacation, any First Priority Indebtedness or Second Priority
22 Indebtedness incurred and any claim granted to the Lender Parties hereunder arising prior to the
23 effective date of such modification, amendment or vacation shall be governed in all respects by the
24 original provisions of this Order, and the Lender Parties and First Lien Steering Committee shall be
25 entitled to all of the rights, remedies, privileges and benefits, including the liens and priorities
26 granted herein and therein, with respect to any such First Priority Indebtedness and claims.

27 17. No Setoff. Notwithstanding anything herein to the contrary, this Order shall not
28 require Lender Parties to turn over or release to any party any Cash Collateral in its possession as of

the Petition Date that is subject to setoff under the Bankruptcy Code; *provided* that, until the occurrence of a Cash Collateral Termination Event, none of the Lender Parties shall exercise, or seek to exercise, any such setoff rights; *provided further* that all parties hereby reserve all of their rights as to whether any such setoff is valid and enforceable under the Bankruptcy Code and applicable nonbankruptcy law.

18. This Order is hereby deemed effective immediately pursuant to Federal Bankruptcy Rules of Procedure §6004(h).

19. The provisions of this Order, including the grant of claims and liens to or for the benefit of the Lender Parties, and any actions taken pursuant hereto shall survive the entry of any order converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code.

20. Notwithstanding anything contained to the contrary herein, none of the provisions in this Order shall apply to the Second Lien Lenders if it is determined that the Second Priority Liens are wholly unsecured obligations of the Debtors pursuant to section 506 of the Bankruptcy Code pursuant to Court order.

21. Any notice required to be provided to the Lender Parties under this Order shall be deemed effective if provided to counsel to the First Lien Agent and Second Lien Agent, as applicable, and any notice required to be provided to the First Lien Committee under this Order shall be deemed effective if provided to Alvin Gump Strauss Hauer & Feld LLP and WCP.

22. This Order shall constitute findings of fact and conclusions of law.
